

Northlew Parish Village Defibrillator Training Courses – Register Now!

A huge thank you to all of you who have donated to the purchase of a defibrillator training unit which now means we have enough money to go ahead and order it.

Our village first responder Kate Hawkins has very kindly offered to run a training session at the Northlew Church Rooms in The Square on:-

- Saturday 20 November 2021 at 18.30 – 20.30

This training session is available for adults and any teenagers 16+ which will hopefully give you confidence to use this life saving equipment in an emergency. A separate course will be run for children if there is any interest.

Space in the Church Rooms is limited so we would be most grateful if you could **book your place on a first come first serve basis by completing the online registration form at:- <https://forms.gle/MxbRV9pNrm5ERRRU8>** to there is adequate space and if necessary we can organise additional courses. We are also holding a register at The Square Shop if you would prefer to pop in there to book on. **Please note you must register your interest to attend this course.**

Thank you for your interest.
